#### **\*\* CAMP FACILITIES \*\***

Come and enjoy the Rocky Mountains and a settling at the foot of Longs Peak and Twin Sisters. The weather can be warm (80's) and at other times quite cool (40's), so be sure to pack accordingly. Covenant Heights Conference Center has changed a bit since we left her 20 years ago. The Dining Hall boasts 4 all-you-can-eat buffet lines and the Chapel and Friendship Hall will easily accommodate our large group meetings. RV and Tenting Sites are available at a reduced rate. (Contact Craig for more info if you are interested.) These facilities, along with our program, offer a fulfilling vacation both spiritually and physically.

#### **\*\* ACTIVITIES \*\***

We are looking forward to having New Song, a small group singing ministry from Geneva College with us this year.

Enjoy a small lake with canoes, kayaks and paddleboats. The camp includes outdoor courts, large playing field, playground, Frisbee & Mini golf. Hiking and biking trails abound and mountain bike checkout is available.

Your camp fee also includes access to a zip line, climbing wall, and high & low rope courses.
